 - Committee response
 - Try to get this to Dr. E before the end of the academic year.
 - East 40 becomes part of the values for the new administration
 - Side conversations about experiential learning (E40 and CCCE)
 - Currently does not have a coherent identity
 - Put together historical content for the new administration
- Goals for the semester
 - Committee input
- East 40 Updates
 - Garden Manager
 - Carol Burns
 - Conversations about a farmer
 - Food Studies
 - Low ropes course
 - Kiln funding
 - Walking trails
 - Pilot Residency Program (this is a big one)
- Tasks for next month
 - Trim down project descriptions
 - Invite Jillian and Devyn to conversations
 - Talk with Tom about prior learning
 - Share mission statement
 - Elevator speech
 - (Allison) I like the idea of emphasizing the east 40 as a community space for learning and growing (from each other) **This could be part of MVV revision**
 - On the topic of East 40 visibility at NCC, one idea is to get the counseling staff to get students out there for destressing, similar to Randy's idea for faculty. The other is to use College success (I'm sure already overloaded) to get students to know what it is and what it's there for
 - Communication with Lenape Organization (Liz)
 - Work on clear directions
 - Get data from Gina and Diet
